**Introducing the Semco
Weston Stone Collection**

Weston Cream 9" Ledge

Weston Shell Machine Cut

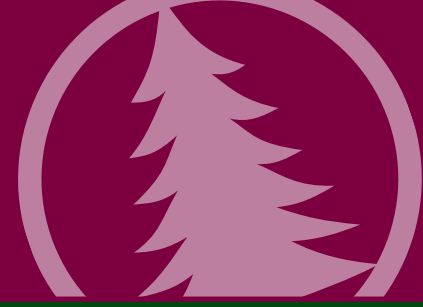

The Weston Stone Collection features Weston Cream, an absolutely beautiful light buff, cream colored limestone available in 8" Drywall, Ledgerrock and Foundation Block. Weston Cream is not limited to only landscape products, it is also available in both Machine Cut & Tumbled Machine Cut veneer.

Weston Shell is another beautiful limestone in the Weston Stone Collection. Made up of small seashells and ranging from buff to tan this unique stone is available in both Machine Cut & Tumbled Machine Cut veneer. For more information contact your Semco Sales Rep. 🌲

Semco's NEW Precut Trimstones... Trimstones are precut stones used to stack around windows & door frames or can be installed beside keystones. Trimstones are available in Cedar Ridge, Blue River, Rustic Cedar & Rustic Blue to complement any of our veneer blends. Each piece has a Machine Split-Face end & can be utilized as either a horizontal or a vertical piece! Available in 4"D x 5"H x 8"W and 4"D x 7³/₄"H x 8"W. 🌲

Unveiling Atlantic Water Gardens

Semco is very proud to introduce our new supplier of Pond Products....Atlantic Water Gardens. Atlantic offers a full line of Pond Kits, Filters & Skimmers, and many accessories to support all of your water gardening needs.

For over 16 years, Atlantic has been well-known for offering professional grade products. Atlantic's FilterFalls™ & Skimmers provide a low cost, professional grade alternative for an effective pond filtration system that requires less maintenance for the pond owner. Atlantic offers their products at great prices & stands behind all of their products with a LIFETIME WARRANTY! Contact your Semco Sales Representative for more information on Atlantic Pond Products! 🌲

What GCI Ground Cover Can Do For You!

Semco offers the GCI 600 Series Professional's Choice Premium Quality Landscape Filter Fabric. At 6 oz. this product is the heaviest retail landscape fabric in the industry. The unique properties of this landscape fabric make it useful in many applications. Works great for landscaping, stabilization under patio stones, drainage and as pond underlayment. Constructed of 100% High UV Non-Woven polypropylene for long life & high porosity. Professional's Choice has over 10 times the water flow of woven fabrics and twice the puncture resistance! This fabric cuts easily with any blade or razor & will not ravel or fray. 🌲

Semco's Second Nature Outdoor Accents!

Semco now offers you our new exclusive line of Outdoor Accents. Durable, beautiful, and affordable, Second Nature Outdoor Accents offer you & your customer an alternative choice in landscape products. These cast stone products replicate the exquisite colors and textures of our natural stone. The selection allows for easy installation of patios, paths, walkways, edgings, small retaining walls & more. The Second Nature product line features everything from our Arbor Edge Stone to beautiful Lakeshore Ledge, Flagstone Pavers and even our Cottage Stone Steppers. For more information contact your Semco Sales Representative. 🌲
